

The Same Name Game

It was the first day of school. I went to my class. My teacher read out the name of every student. I was surprised. Someone else had the same name as me! My teacher told us we would play a game. It was called the Same Name Game. The kids in my class would think of nicknames. The nickname could be for me or the other Yoshi Kano. When I came home, I blamed my mom. She gave me this name. I did not want a nickname. My mom thought it was funny. She told me to enjoy the fame. I did not want someone else to give me my nickname. I thought of my own. I would be Shi-shi.
