Quack Attack

Zack, Jack, and Mack sat in a shack. They listened to the train go clickety-clack, clickety-clack down the track. Zack read a paperback from a stack on the rack. Jack sat on a sack and ate a snack that he found in his backpack. Mack played with a knickknack. They listened to the train go clickety-clack, clickety-clack down the track. Zack heard a loud smack. Then, he heard a whack. Zack and Mack looked at Jack. Jack had started an attack against a black fly. The table now had a crack. They listened to the end of the train go clickety-clack, clickety-clack down the track. It was quiet. They heard a sound. It was outside the shack. They heard a loud quack. Zack, Jack, and Mack had a laughing attack.
