

## Nick's Tricks

Nick likes to do magic. He has learned how to do a card trick. In order to be slick, he has to be quick. A flick of the hand is all it takes. Nick does his trick on Mick and Rick. He asks them to pick a card. Nick does not look at the card. Then, he puts the card back in the deck. He shuffles the deck. Then, Nick picks the same card that Mick and Rick picked! Mick and Rick get quite a kick out of Nick's magic trick. Nick is good at the card trick. Now, there is another trick that Nick wants to learn. He will need a magic stick, a brick, and a glue stick. This one is quite a trick.
