

Get a Tent

“Mom, can we sell stuff to get a tent?” said Ben.

“What stuff?” said Mom.

“I will fill the wagon and sis can fill the basket,” said Ben.

“But what stuff? With what will you fill the wagon and sis fill the basket?” Mom said.

“Well, sis will trap a sunset, and I will kidnap a kiss. What do you think? Will we sell that stuff?” said Ben.

“If sis traps a sunset, and you kidnap a kiss, I will get you a tent,” said Mom.
