Clark's Tune

Clark plays a flute. He makes up a tune.

The tune is fine.

It drifts far. Is the tune loud?

It lures Clark's granddad from his room.

Granddad holds his drum!

Granddad drums along.

Clark and Granddad carry the tune.

Granddad says, "You woke us up. But I do not care. I like to drum!"

They play on and on, and never a sour note!
