Hippo Hut

Zack is living in a grass hut. The hut is on a hill.

There is a cliff along the back.

Zack sits on the cliff.

A hippo passes by. A hippo? Zack is glad.

A hut that lacks hippos is a dull hut!

Zack sings to the hippo. The hippo stops.

She zigzags up the hill.

She hums along with Zack's song.

They hum and sing.

Zack grins.
