Milk Truck

The cat asks the dog, “Do you have milk?”
“I do not,” yaps the dog. “But I can get milk!”

The dog and cat run to a truck.
It is a milk truck. It is full of milk:
gallons and gallons of milk,
in stacks upon stacks of boxes.

The dog kicks a box. The box tilts. Splat!
A gallon drops. Milk spills.
The cat laps up the milk. Yum!
