# Film Fun

“Dad, can we get a film?” said Fran and Frank.

“Yes,” said Dad, “what film will you get?”

“One with a big, red dog,” said Fran.

“No sis, one with a soft, wet frog,” said Frank.

“Not a problem for me,” said Dad.

“One with a pet pig who lost his pen,” said Frank.

“No Frank, one with a hip hippo and his hotrod,” said Fran.

“Not a problem for me,” said Dad.

“A fat rat, a full bull, and a hungry hog,” said Fran with a wink.

“Or a tall rat swimming in a pond on the sun,” said Frank with a grin.

“Not a problem for me,” said Dad.

“What? You will get a film with all that?” said Fran and Frank.

“No,” said Dad, “I said it is not a problem for me.”

“Who is it a problem for then?” said Frank and Fran.

“Mom,” Dad grinned.
