

## 19. Planet Odd

“One ticket to Planet Odd,” Cliff said. The man at the desk put the ticket in his hand. Cliff got on a rocket. He got to Planet Odd, and there was its king: a parrot with a skunk in its pocket.

The king was banging on a box with a banana.

“Get that man!” the parrot said, with a nod at Cliff. “For what?” said Cliff. The parrot said with a yell, “Umbrella! Umbrella! You have no umbrella!”
